

**THE NATIONAL GRID NORTH SEA LINK LIMITED (EAST SLEEKBURN) COMPULSORY PURCHASE ORDER 2016**

**PART 1**

In Table 1 of the Schedule to the order the following terms shall have the following meanings:

The '**Interconnector Right**' means all rights necessary:

- to construct and place new electricity interconnector infrastructure within, upon or over the land and thereafter retain, inspect, maintain, repair, alter, renew, replace, remove and use the electricity interconnector infrastructure;
- to use the land as a working and compound area for construction, inspection, maintenance, repair, alteration, renewal, replacement and removal of the electricity interconnector infrastructure;
- to protect the electricity interconnector infrastructure, prevent interference with, damage or injury to the electricity interconnector infrastructure or its operation, or interference with or obstruction of access to it;
- to prevent any works on or use of the land which may interfere with or damage the electricity interconnector infrastructure or which interferes with or obstructs access to the electricity interconnector infrastructure;
- to access the land and access adjoining land in connection with the electricity interconnector infrastructure;
- to fell, trim and lop all trees, bushes and other vegetation which obstructs or interferes with the exercise of those rights;
- to execute such other works for the purpose of, or incidental to, the construction, use or maintenance of the electricity interconnector infrastructure, including but not limited to drainage works; and
- to carry out any activities ancillary or incidental thereto.

The '**Construction Right**' means all rights necessary:

- to use the land as a working and compound area for construction, inspection, maintenance, repair, alteration, renewal, replacement and removal of the electricity interconnector infrastructure;
- to prevent any works on or use of the land which may interfere with the construction works or which interferes with or obstructs access to the electricity interconnector infrastructure;
- to access the land and access adjoining land in connection with the construction of the electricity interconnector infrastructure;
- to fell, trim and lop all trees, bushes and other vegetation which obstructs or interferes with the exercise of those rights;
- to execute such other works for the purpose of, or incidental to, the construction, use or maintenance of the electricity interconnector infrastructure, including but not limited to drainage works; and
- to carry out any activities ancillary or incidental thereto.

The '**Access Right**' means all rights necessary to access the land and access adjoining land in connection with the electricity interconnector infrastructure and to prevent any works or use of the land which may interfere with or obstruct such access.

The '**Drainage Right**' means all rights necessary:

- to construct and place new drainage infrastructure within, on or over the land and thereafter retain, inspect, maintain, repair, alter, renew, replace, remove and use the drainage infrastructure;
- to use the land as a working and compound area for construction, inspection, maintenance, repair, alteration, renewal, replacement and removal of the drainage infrastructure;

Annex A

- to protect the drainage infrastructure and prevent interference with, damage or injury to the drainage infrastructure or its operation, or interference with or obstruction of access to it;
- to prevent any works on or use of the land which may interfere with or damage the electricity interconnector infrastructure or which interferes with or obstructs access to the drainage infrastructure;
- to fell, trim and lop all trees, bushes and other vegetation which obstructs or interferes with the exercise of those rights;
- to access the land and access adjoining land in connection with the electricity interconnector infrastructure and drainage infrastructure;
- to execute such other works for the purpose of, or incidental to, the construction, use or maintenance of the drainage infrastructure; and
- to carry out any activities ancillary or incidental thereto.

**PART 2**
